Hooked on Phonics® Minibook
Learn to Read, Step 1, Lesson 3
-AP word family

This Hooked on Phonics minibook will give your child a chance to practice their reading, letter tracing, and coloring skills. It also reinforces the idea that books are read in a specific order.

Instructions

1. Print this PDF single sided.
2. Cut all minibook pages in half along the dashed line.
3. Stack the minibook pages in order, starting with the cover. (Do not include these instructions or the Reading Comprehension questions below.)
4. Staple the minibook together as indicated.
5. Instruct your child to read the story and trace the words with dotted lines. For extra fun, they can color each page!
6. After reading, ask your child the comprehension questions and talk about the story.
7. On a blank page, encourage your child to draw a picture or write about what they think might happen next.

Readability Note

If your child has mastered the noted Step and Lesson of the Hooked on Phonics program, they have learned at least 80% of the words in this story. Reading specialists suggest that children benefit from reading text that is not too difficult, yet challenging enough to expand their reading skills. A book is considered to be easily readable when a child is able to read at least 90% of the words without help. At 80% readability, children can still easily read most of the text in a book; however, they are also challenged to decode words they haven't encountered before.

Reading Comprehension Questions

Question	Answer
Who is holding a magic wand?	Ann
What is the first thing Ann puts on Pat?	A cap.
What does Pat turn into?	A rat with a cap and a map
What do you think will happen next?	Answers will vary.
